Product Description	
Effected P/Ns	

Why Is The Change Necessary ?

The market needed a much better design for a Surround speaker than the SR-29 ; with this new SR-29-N we provide now a modern and versatile enclosure as well as an improved version thanks to new components copping much better with digital sound dynamics as well as being much lighter

In order to provide you with the most updated information about our products, Suministros Kelonik SA is putting in place this Product Change Notification. However, All Product Specifications are subject to be changed without prior notice and Suministros Kelonik SA could not be responsible of an eventual misinformation.

Yours faithfully.
